

# Don't Worry Be Happy - Bobby McFerrin

**G**

**Am**

Here's a little song I wrote, You might want to sing it note for note...

**C**      **G**

Don't worry, be happy!

**G**

**Am**

In every life we have some trouble, But when you worry you make it double...

**C**      **G**      **G**

So, don't worry, be happy. Don't worry, be happy now.

## Refrain:

**G**    **Am**      **C**      **G**

Don't worry, be happy. Don't worry, be happy.

**G**    **Am**      **C**      **G**

Don't worry, be happy. Don't worry, be happy.

**G**

**Am**

Ain't got no place to lay your head, Somebody came and took your bed...

**C**      **G**

Don't worry, be happy!

**G**

**Am**

The landlord say your rent is late, He may have to litigate...

**C**      **G**      **G**

So, don't worry, be happy. Don't worry, be happy now.

## Refrain

**G**

**Am**

Ain't got no cash, ain't got no style, Ain't got no gal to make you smile...

**C**      **G**

Don't worry, be happy!

**G**

**Am**

'Cause when you worry your face will frown, And that will bring everybody down

**C**      **G**      **G**

So, don't worry, be happy. Don't worry, be happy now.

## Refrain
